Dear Dr. White,

I wanted to let you know that I have received your letter and will be responding to it more formally soon after some discussion with my staff. I have also copied Dr. Beck who had expressed some interest in a more coordinated engagement strategy between ACC and EPA. Also, in the future, to make sure these types of correspondence receive appropriate attention, please be sure to copy Ms. Leslie Meadows on my team whom you know, as well as Dr. Lou D'Amico who directs communications and regulatory support for NCEA.

Thanks,
